

MISE EN PLACE D'UN SYSTÈME D'INFORMATION D'IMMATRICULATION FONCIÈRE

Par
Sémiat O. OLAITAN

PLAN

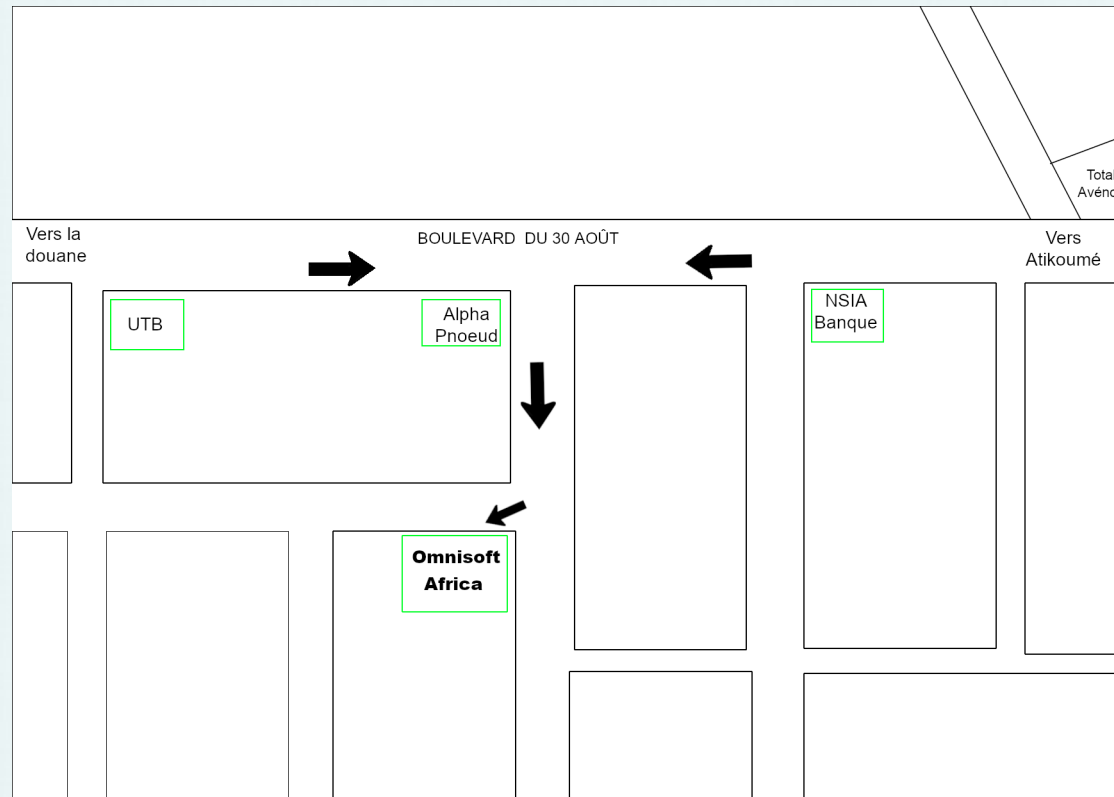

- 1.Introduction
- 2.Présentation du cadre de stage
- 3.Discussion autour du travail effectué
- 4.Démonstration de l'application
- 5.Conclusion

The background features a light blue sky with three white, fluffy clouds. A bright yellow sun with a thick orange border is in the top right corner. The foreground consists of green rolling hills. On the left hill is a single green tree with a brown trunk, and on the right hill are two similar trees. Small pink flowers are scattered across the grass.
